HALE PET DOOR™ RAMP

PATENT PENDING

Hale Pet Door™ is excited to add high quality ramps to our line of premium pet doors to provide even more accessibility options for your pets.

Although there are many other pet ramps available on the market none of them live up to the exceptional quality standards that our customers have come to expect.

We offer many standard and custom options to make the perfect ramp for your particular situation.

The complete line of Hale Pet Door Ramps is designed to also coordinate with the Hale Security Pet Door® line of security barriers.

- 5 standard ramp sizes to complement all 11 sizes of Hale Pet Doors – custom sizes available—you specify height, rise, length, etc.
- Choice of two carpet colors or supply your own
- Available with or without landings to fit into available space
- Offered with or without a vertical foot at base for use by all pets—even older or crippled
- Can be self-standing or attached directly to house wall or security barrier
- Low railings can be added to either side if desired
